

Yorsipp Launches Prestige Cash SIPP

A new low cost cash account SIPP offering

Yorsipp is delighted to announce the launch of the Prestige Cash SIPP, a simple SIPP offering low cost, streamlined access to Cater Allen's Sovereign 30 day Account.

Prestige is designed to reduce risk and simplify the process for IFAs and their clients by combining Yorsipp's expertise in SIPP administration with the well-established reputation and experience of Cater Allen.

"Having launched the Prestige Property and Prestige Myddleton Croft SIPPs, we know that the concept of putting all the services needed by an IFA into a single product, with just one form to complete, has been well received," explains Stephen Gilligan, Business Development Manager. "Our product gives a seamless service with just one combined application needed, so cutting down on time and administration costs.

"What's more, because we have agreed the service standards with Cater Allen, and will work closely with them, we will also be able to offer this product very competitively as the set up will be quicker and more cost-effective."

Initial fees, which include the transfer of funds, are:

- Set Up £50 + VAT
- Annual SIPP Fee £150 + VAT

We realise the importance of choice and our full range of SIPP products remains available, including our Full SIPP which allows election of your own professional appointments. The simplicity of the product allows you to easily move to not only our Prestige Property SIPP, a package product for ease and simplicity, but also our full range of SIPP products.
