Yorsipp Limited and Yorsipp (Trustees) Limited are not authorised to provide financial advice.

There are a number of options available to you when you decide to access your pension fund. This is a complex financial decision that can have tax implications and may affect your future retirement income and / or the amount available to your beneficiaries in the event of your death. It may not be possible to reverse the decisions you make now, should you change your mind.

We strongly recommend that you discuss your circumstances with your Financial Adviser. Your adviser will be able to help you understand the options available and the implications of drawing your pension benefits in certain ways. They may also offer a personal recommendation based on your circumstances and objectives. If you do not have a financial adviser, you may wish to obtain details of financial advisers in your area via www.unbiased.co.uk.

Alternatively, guidance is available from Pension Wise - the government's free and impartial service, designed to help you understand more about your pension and choices at retirement. Whilst they cannot make a personal recommendation, they can help you understand your options. The guidance is available online, by telephone or face to face. Further information can be found on their website at www.pensionwise.gov.uk or by telephone on 0800 138 3944.

You cannot normally claim benefits before age 55, however if you have a lower protected pension age, or if you wish to take benefits early due to ill-health, please let us know before completing the SIPP Benefit Payment Form.

There are 3 stages to our Benefit Payment Process:

Stage 1

You will complete our SIPP Benefit Payment Form, and if applicable, the Accessing Pension Benefits questionnaire.

Stage 2

Once we have received the relevant forms, if you have chosen an Uncrystallised Funds Pension Lump Sum (UFPLS) and have received advice from an FCA regulated adviser, we will proceed to Stage 3, or if you have chosen any other option you will be issued with a 'Member Acceptance Pack'*. This includes details of any UFPLS (without advice), or Pension Commencement Lump Sum (PCLS) and/or income that will be payable to you, the Lifetime Allowance that will be used by the event, risk warnings, and a Member Acceptance Declaration. If you have chosen to take a PCLS payment and/or a drawdown pension, the pack will also include an illustration and Key Features document.

The Member Acceptance Declaration needs to be completed and returned to us. If you do not return your acceptance declaration, your benefit payment application will not be processed any further.

*Please note, if your SIPP holds certain investments, for example unlisted shares or commercial property, we will need to obtain current valuations before we can issue the Member Acceptance Pack. We are therefore restricted by third party timescales and this may cause a delay in the process.

For any commercial property held within the SIPP, we require the latest valuation to be no more than 6 months old. If the valuation we hold is older than this, we will contact you for details of the surveyor you wish to appoint to carry out a valuation. This does not need to be a full valuation and many surveyors, if they have carried out a previous survey of the property, will provide a 'Desktop valuation' for a reduced cost.

For any unlisted shares held within the SIPP, we require the latest valuation to be no more than 3 months old. If the valuation we hold is older than this, we will seek an independent valuation carried out by a third party. We normally use Calvert Dawson Ltd to carry out independent valuations. Their standard fee for this is £125 plus VAT. The fee may be higher in certain circumstances. Should you wish for the shares to be revalued prior to the Benefit Payment process, please confirm whether you are happy for us to instruct Calvert Dawson Ltd, or provide details of any other chartered accountant you wish us to appoint to carry out the review.

Stage 3

Upon receipt of the signed Member Acceptance Declaration, or where an UPFLS has been chosen and you have received advice from an FCA regulated adviser, we will pay the requested benefits to you, subject to availability of funds within the SIPP**.

A confirmation statement will be issued to you upon payment along with cancellation rights to allow you to cancel the benefit payment, if you change your mind.

** Please note, if we have had to request funds to be returned from a third party investment provider, we will be subject to their timescales which may cause a delay in payment.

12 Member Declaration / Notes

I request and consent to the payment of benefits as set out in the SIPP Benefit Payment Form and agree:

- A. That Yorsipp may contact me for additional information prior to processing my application should they deem it necessary.
- B. If any changes are to be made to the amount or frequency of my income payments, I must give a signed instruction. This instruction will be faxed to 0141 762 1862, scanned to info@yorsipp.com, or posted to Yorsipp Ltd, Eadie House, 74 Kirkintilloch Road, Bishopbriggs, Glasgow, G64 2AH.
- C. It will be my responsibility to ensure that there are sufficient cleared funds in my SIPP Trustee Bank Account to pay my benefits as they fall due.
- D. Any income payments payable under Capped Drawdown will remain within the maximum amount allowable by HMRC.
- E. Should I wish to draw more than the maximum from my Capped Drawdown Plan, it will be converted to Flexi Access Drawdown.
- F. That accessing my pension benefits flexibly will trigger the Money Purchase Annual Allowance, which will reduce the amount of tax relievable contributions permitted to any UK Registered Pension Scheme each year, and will require me to notify the Scheme Administrator of any other Registered Pension Scheme within 91 days of receipt of the flexible access statement from Yorsipp.
- G. That my payslip will be issued to my home address unless I send written confirmation to your office confirming an alternative address and why.
- H. If I take a Pension Commencement Lump Sum as the means to increase contributions significantly to any UK Registered Pension Scheme it may be treated as 'recycling' under certain circumstances by HMRC, and the lump sum may be defined as an Unauthorised Member Payment.
- I. That a bank charge may be applied to my fund for any lump sum or income payment(s).
- J. I must take the maximum Pension Commencement Lump Sum (PCLS) available from the amount crystallised within 12 months of the date of crystallisation. If this is not adhered to, I will lose the right to the PCLS and a tax charge may apply to any funds subsequently withdrawn.
- K. That if my fund is fully crystallised, no further contributions or uncrystallised transfer funds can be made to the same plan in the future.
- L. That until Yorsipp receive the correct Coding Notice from HMRC, my taxable payments will be taxed using the relevant Emergency tax code.

I have read and understood the notes on this form.

Once payment of benefits has been arranged, we will send you a confirmation letter. If you change your mind, you will have 30 days from the date of that letter to cancel. If you exercise your right to cancel, you must return all lump sum and income payments within this 30 days. If assets were disinvested to pay benefits, any money returned will not automatically be reinvested. If you wish to reinvest any returned payments, you will need to instruct us to do so. There is no guarantee that the same investments will still be available, or that they will be accepted into the SIPP, and you may not be in the same position as before due to any changes in the price of the investments and/or any associated charges

Accessing pension benefits – no financial advice taken

This declaration should be completed if you want to draw benefits from your Self Invested Personal Pension (SIPP) under the flexibility rules, without taking advice from an FCA regulated financial adviser. This includes Flexi Access Drawdown (FAD) and Uncrystallised Funds Pension Lump Sum (UFPLS).

FAD and UFPLS are complex financial decisions and Yorsipp strongly recommends that you discuss your circumstances with your financial adviser. Your adviser can help you understand your options and the implications of accessing your pension benefits in this way. Your adviser may also offer a personal recommendation based on your circumstances and objectives. Yorsipp cannot provide you with any financial advice.

If you do not wish to consult a financial adviser, impartial guidance can be obtained from Pension Wise. This is a free service provided by the government and, whilst they cannot make a personal recommendation, they can help you understand your options. Further information is available from their website at www.pensionwise.gov.uk, where you can also find details of how to arrange a telephone or face-to-face appointment with them should you wish to do so.

Risks

As Trustee and Administrator of your SIPP, Yorsipp has a duty to ensure you are aware of the risks associated with your decisions. Please therefore answer the following questions, providing as much information as possible. Please continue on a separate sheet if necessary.

1. What is your understanding of how the money you take from your pension will be taxed?

2. How do you intend to use the money you take out?

3. What other sources are available to provide you with an income in retirement, e.g. other pension schemes and / or assets?

4. Do you have any outstanding debts, e.g. loans, credit cards, car finance etc?

5. Are you in receipt of any means tested state benefits?

6. Have you shopped around to establish if another provider may be better for your needs?

Declaration

By signing this form, I confirm that:

- I have read and understood the content of the Accessing Pension Benefits form and the Key Features of my plan.
- I confirm my answers to the questions above are true and correct to the best of my knowledge and belief.
- Yorsipp has highlighted that this is a complex financial decision and has recommended that I seek professional financial advice before proceeding.
- Yorsipp has explained that the Pension Wise service is available to me and how I can access this.
- I do not wish to discuss this with a professional adviser and wish to start drawing benefits flexibly from my SIPP.
- Yorsipp has not provided me with any financial advice.
